### WORK EXPERIENCE

#### **SYNNEX Corporation, Marketing Specialist, III (Intel)**

JUNE 2020 - PRESENT, MARKETING SPECIALIST, III

Team lead for the Intel vendor line. Drives overall component and branded strategy. Creates marketing plans that are aligned with business goals. Collaborates across departments to enhance SYNNEX value proposition messaging. Leads ROI reporting and analytics back to vendor to continually improve GTM strategies. Develops and grows a team that fosters quality, innovation, and creativity.

#### **KEY ACHIEVEMENTS:**

- Led the team to grow Intel marketing revenue by 24% YoY during 2020 pandemic
- Established team roles and responsibilities; studied workflows and implemented more effective processes
- Developed a strong relationship and culture of mutual support with the team which resulted in better work performance
- Created and executed email personalization strategy that dramatically increased loyalty program engagement

#### **SYNNEX Corporation, Marketing Specialist, II (Microsoft Cloud/CSP)**

JAN 2019 - JUNE 2020, MARKETING SPECIALIST, II

Responsible for driving qualified leads to sales team through the strategic development and execution of integrated marketing initiatives and digital campaigns. Managed co-op/MDF budgets as well as complex claiming operations for Microsoft vendor line.

#### **KEY ACHIEVEMENTS:**

- Improved process for calculating effectiveness of campaigns and programs; was able to show Microsoft CSP monthly revenue grew as a result of various campaigns
- Recognized for quickly making a positive impact on the marketing activities, and bringing new ideas to the team

## WORK EXPERIENCE

---

### **Cleva North America, Marketing Manager**

FEB 2013 - NOV 2018

Managed trade show exhibits for 13+ national industry events. Directed and contributed to creative teams on development and implementation of marketing campaigns and graphic design projects. Conducted and presented competitive analysis findings to sales and product teams to measure initiatives, provide business insights, and improve ROI. Wrote SEO-optimized website content for corporate e-commerce retail product pages.

#### **KEY ACHIEVEMENTS:**

- Led marketing and sales teams to design Voice of Customer (VOC) program; efforts recognized through a receipt of the 2017 MarCom Award for packaging design
- Increased web sales by nearly 50% by switching e-commerce platform, which also reduced customer service call volumes
- Drove online ratings up by 35% by developing daily User Generated Content (UGC) reputation management strategy. Trained e-commerce staff on daily maintenance of the program

### **Banyan Consulting LLC, Marketing Coordinator**

FEB 2004 - OCT 2012

Managed website and newsletter. Monitored web analytics dashboards, reports, and presented key metrics. Designed collateral. Organized annual client conference, event marketing webinars and seminars. Managed receptionist from 2005 to 2010 - Recruited, interviewed, trained, supervised, and evaluated employee performance (60% were promoted internally).

### **Previous Roles**

- Carnegie Mellon University, Marketing Assistant/Support Staff II, Oct 2000 to Sep 2003
- Winn-Dixie, Inc., Advertising Specialist, Nov 1998 to Jan 2000
